THOS. E. WILSON HIS OWNER.**

Bred by John Macgillivray, Ross-shire, Scotland, is the new Scottish bred bull imported for service at Edellyn. His sire is Royal Banker, a grandson of Garbity Field Marshal. His second sire is a grandson of the great sire Collynie Cupbearer. The third sire is a son of the famous Max of Cluny. This young bull is without question one of the best and most pleasing individuals that has come to this country in many a year. A few of the females in this sale sell to the service of this bull. Also sons and daughters in sale.

## We Invite You

---

It is our pleasure to again extend you a cordial invitation to attend our Eighth Annual Sale.

As in the past, we feel sure that the cattle will please the most critical. We are following, in this auction, the established policy of offering our season's production of bulls and the pick of our heifers. We give you the opportunity of making selections from all of our bull production. Breeders seem to appreciate this plan.

We believe this to be the most desirable lot of Shorthorns yet produced at Edellyn. The bulls are exceptionally pleasing and the heifers are without question the most uniform lot yet listed for a sale from this farm.

Most of these cattle are strong in Browndale Count breeding. When we realize the contributions of cattle of this strain of breeding to the show rings of the past decade and the fact that it is the strain from which most of the prize winners of the present day are produced, the breeding of this lot of cattle should appeal to all who desire to own the type of cattle that are most formidable in the show ring and most acceptable to the commercial market demands. All Shorthorn admirers will be welcome at Edellyn on this occasion.

THOS. E. WILSON.

# Terms and Conditions

---

1. Proper care should be given by purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot, and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller. Edellyn herd has been accredited for 5 years.

5. All animals are sold subject to a sixty-day retest for tuberculosis, or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputized by State veterinarian, who is cooperating with Federal veterinarian and qualified to do accredited herd testing. Purchase price is to be promptly refunded upon proof of reaction and return of animal, except purchaser shall agree to accept a substitute.

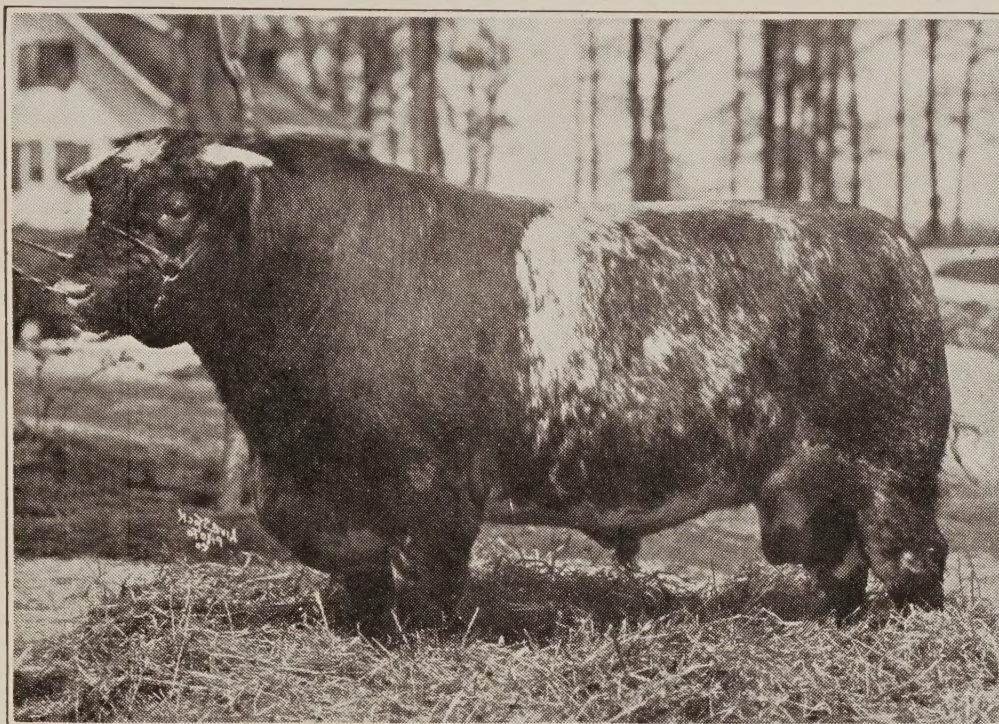

6. Certificate of registry and transfer will be furnished with each lot sold.

Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

7. TERMS: Cash, unless other arrangements are made before sale.

Breeding list furnished sale day.

### BROWNDALÉ COUNT 1156438

#### The History Making Sire

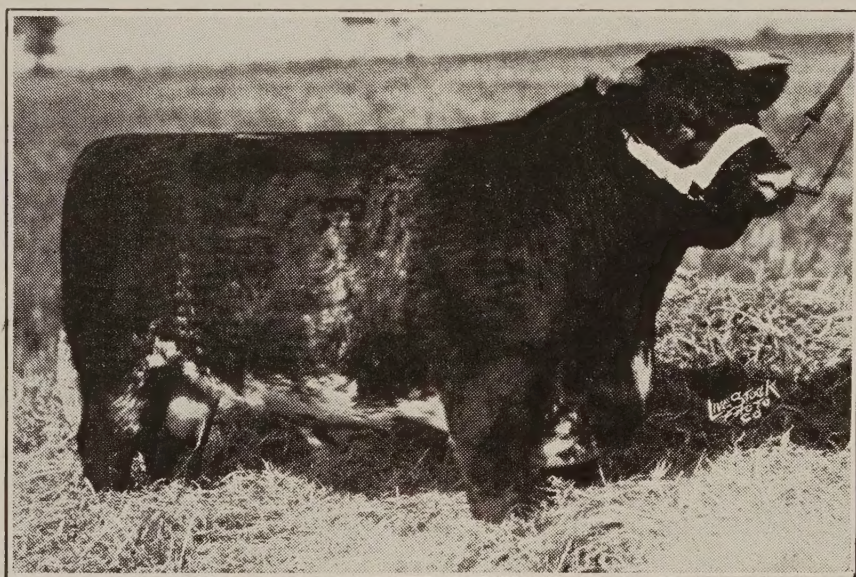

Rated as the Greatest Breeding Bull of all time. His sons won the International Live Stock Grand Championship for 1928 and 1929 and other sons will battle for the same honor in 1930. In the Western Circuit a grandson has not met a defeat in two seasons. Premier honors in the leading shows of Canada have gone to a son for the past two seasons. Browndale Count's sons breed on and win on. In the Get of Sire class for a number of years, no stock bull in America has made a record comparable to the record made by the Browndales.

## You Will Get Extraordinary Values In This Auction

THE practice at Edellyn is to sell all cattle listed regardless of price. Those in attendance make their own values at Edellyn auctions. On account of unfavorable conditions it is safe to assume that the cattle listed to sell on this occasion will not command high prices. Valuable though they are for constructive breeding improvement, I believe at the conclusion those who are familiar with the offering will agree that all things considered these Edellyn cattle will be rated as the most reasonable as well as the most satisfactory purchases of the time. There have always been bargains in Edellyn auctions and there will be in this one. So I urge all who realize the worth of Shorthorns of this breeding and who appreciate what Browndale blood and Edellyn productions have contributed to the records of our shows to plan to be present at this Edellyn auction. It will be time well spent.—Geo. E. Martin of The Shorthorn World, Aurora, Ill.

*Says of This Offering:-*

"I believe I can say in all sincerity that in no previous auction have we listed as many good bulls nor as uniform and as valuable a lot of heifers as we offer in the forthcoming auction. Everyone who has seen these cattle is enthusiastic in their praise of them and I know that I feel the same way about them. They are a real top notch lot of breeding stock and I feel sure their new owners will be thoroughly satisfied with them."
